

PE and Sports Premium

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

St John's received approximately £9,000 to improve PE provision across the whole school in the academic year 2015-16.

Our aims when spending the PE and Sports Premium are to:

- increase pupil participation in sport – both competitive and non-competitive;
- improve the skill and expertise of school staff in the delivery of high quality sports teaching
- increase participation in a wider range of sports (e.g. gymnastics, golf)

Children's interest in sports and PE has increased over the last few years, with greater involvement and success in inter school competitions. The range of sports and activities that are offered has also increased. This has included successful involvement in the Run to Rio challenge in the summer term and being part of the Chance to Shine Cricket project. The children have developed a more positive attitude to sport.

".... it was an absolute pleasure to speak to your Year 5 and Year 6 pupils about sport participation and the cricket sessions they've had through Chance to Shine. The pupils were articulate, thoughtful and confident in sharing their views on this. Each child I spoke to had a great attitude towards sport and was keen to list off their favourites, both within school and when playing with friends at home."

Venessa, Chance to Shine

2016-2017

Action	Expected Impact
Provide a specialist gymnastics teacher for children in Years 3 - 6	Skills of the teachers and quality of gymnastics teaching will further increase. Lessons will be 'team taught' to increase teacher confidence in the subject. Children will develop greater levels of strength and skill from the gymnastics PE teaching. St. John's will compete in local area competitions for gymnastics, with gym squad members from across KS2. In general, after school sports club attendance will increase.
Provide a specialist teacher for rugby in the Autumn Term for children in Years 3 - 6	Teachers' understanding of progression of skills in rugby and ability to teach these will increase. Children will further develop skills in rugby, as well as broader competitive and team skills. Intra school competitive games will increase. Links will be made to Chobham Rugby Club. St. John's will be represented at two local area competitions against other schools. There will be an after school rugby club for KS2, to develop a competitive team.
Provide a specialist teacher for golf in the	Teachers' understanding of how golf can be

Spring Term for children in Years 3 - 6	incorporated into PE teaching will improve. Children will develop skills including hand-eye coordination, as well as broader competitive and team skills. The amount of intra school sports competitions will increase. Links will be made to Hoe Bridge Golf Club. An 'A' and 'B' school golf team will be developed, to participate in the Woking Area Schools Tournament.
Provide sports coaching opportunities at lunchtimes	Children will have access to high quality physical activities, to develop their skills during lunchtimes.
Increase girls' attendance at after school sports clubs	Provide a 'girls only' football club after school with the intention of developing a girls team to participate in friendly matches later in the academic year.
Attend the Primary PE and School Sports Conference for Surrey	PE coordinator to establish a wider network of contacts and find out more about the opportunities across the county for our children. Inspiration about St. John's 'next steps' for PE provision to be gained from the keynote speakers. This year's theme is 'The Impact of Physical Activity on Whole School Achievement'.
Develop wider opportunities for gifted and talented children – e.g. netball team to visit Surrey Sports Park to watch Surrey Storm netball team, girls' football team to watch Chelsea Ladies, identified children to visit Guildford Sports Park climbing wall	Gifted and talented children will be further challenged in a different aspect of PE, their experience of sport will broaden to encompass more adventurous activity and involvement in sport outside of school.
Ensure Silver Level of the Sainsbury's School Games Mark is maintained or exceeded	High percentages of children at KS2 will represent the school across various sports at local area events. Greater numbers of children will attend an after school sports club – the perception of all children will be that sporting activity is for everyone, and inclusion will be a highly valued element of sport at St. John's.

2015-2016

Action	Impact
Provide a specialist teacher for gymnastics for children in Years 3 - 6	Knowledge and skills of the teachers and quality of gymnastics teaching increased. Children developed greater levels of strength and skill from the gymnastics PE teaching. The highest ability gymnasts selected from all four classes participated in a local area competition,

	achieving a 'team second' place and the highest individual results for floorwork. Overall participation in after school sporting clubs increased.
Provide a specialist teacher for rugby in the Autumn Term for children in Years 3 - 6	Children have developed skills in rugby, alongside broader competitive and team skills. An intra-school competition took place for all children in KS2, as a finale to the teaching sequence. Links were made with Chobham Rugby Club. Enthusiasm for rugby – and sport in general - increased, particularly as these lessons were timed to coincide with the Rugby World Cup. Children of all ages at KS2 enjoyed the experience. Teachers' understanding of progression of skills in rugby and ability to teach these increased. Rugby has been added to our list of teacher run clubs for 2016-17.
Provide a specialist teacher for hockey in the Spring Term for children in Years 3 - 6	Teachers' understanding of the progression of skills in hockey increased. Children developed skills in hockey, as well as broader competitive and team skills. An intra-school set of matches was held, for all children to experience a small hockey match. Links were made to Woking Football Club, who provided the coaching. A school hockey team represented St. John's at the Woking Area Schools Hockey Tournament, held at Woking Hockey Club.
Provide sports coaching opportunities at lunchtimes	Children had access to high quality physical activities, to develop their skills during lunchtimes.
Provide 'Activkids' sessions for children in Years 1 & 2 during the Spring Term, with a focus on development of key skills	Teachers' understanding of and ability to teach high quality PE lessons, which were fast paced and involved a huge variety of activities which developed key skills, increased. The agility, balance and control of the children in KS1 improved.
Ensure Silver Level of the Sainsbury's School Games Mark is maintained or exceeded	High percentages of children at KS2 represented the school across various sports at local area events. Greater numbers of children attended after school sports clubs – the perception of all children is that sporting activity is for everyone, and inclusion is a highly valued element of sport at St. John's. Silver Level was not maintained due to one category not being fulfilled: 'taking a 'B' team to an event'. There were only two opportunities for this: tennis and golf, neither of which had a club or explicit teaching this year. Our current level of achievement is

	therefore 'Bronze'.
Maintain membership of the Youth Sport Trust	Provision of support, CPD opportunities and a network for sharing good practice was maintained.
